EQAR

Who/What

The EHEA's official Register of QA agencies that comply substantially with the ESG.

Mission

Further the development of the EHEA by increasing the **transparency** of QA, and thus enhancing the **trust** and confidence in European HE.

History

The only official organisation established directly as a result of the Bologna process.

2005 – Bergen, the concept of a European register of QA agencies is welcomed by the ministers

2007 - London, ministers welcomed the establishment of a register by E4 Group

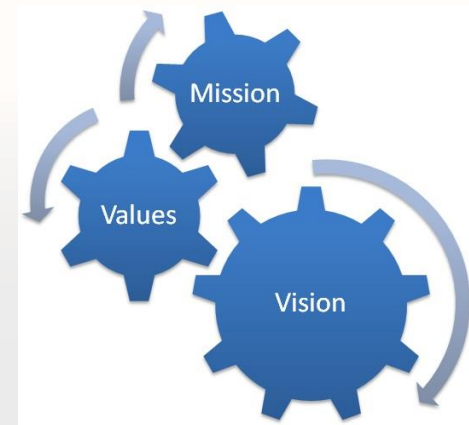

2008 - Brussels, founding of EQAR

EQAR members

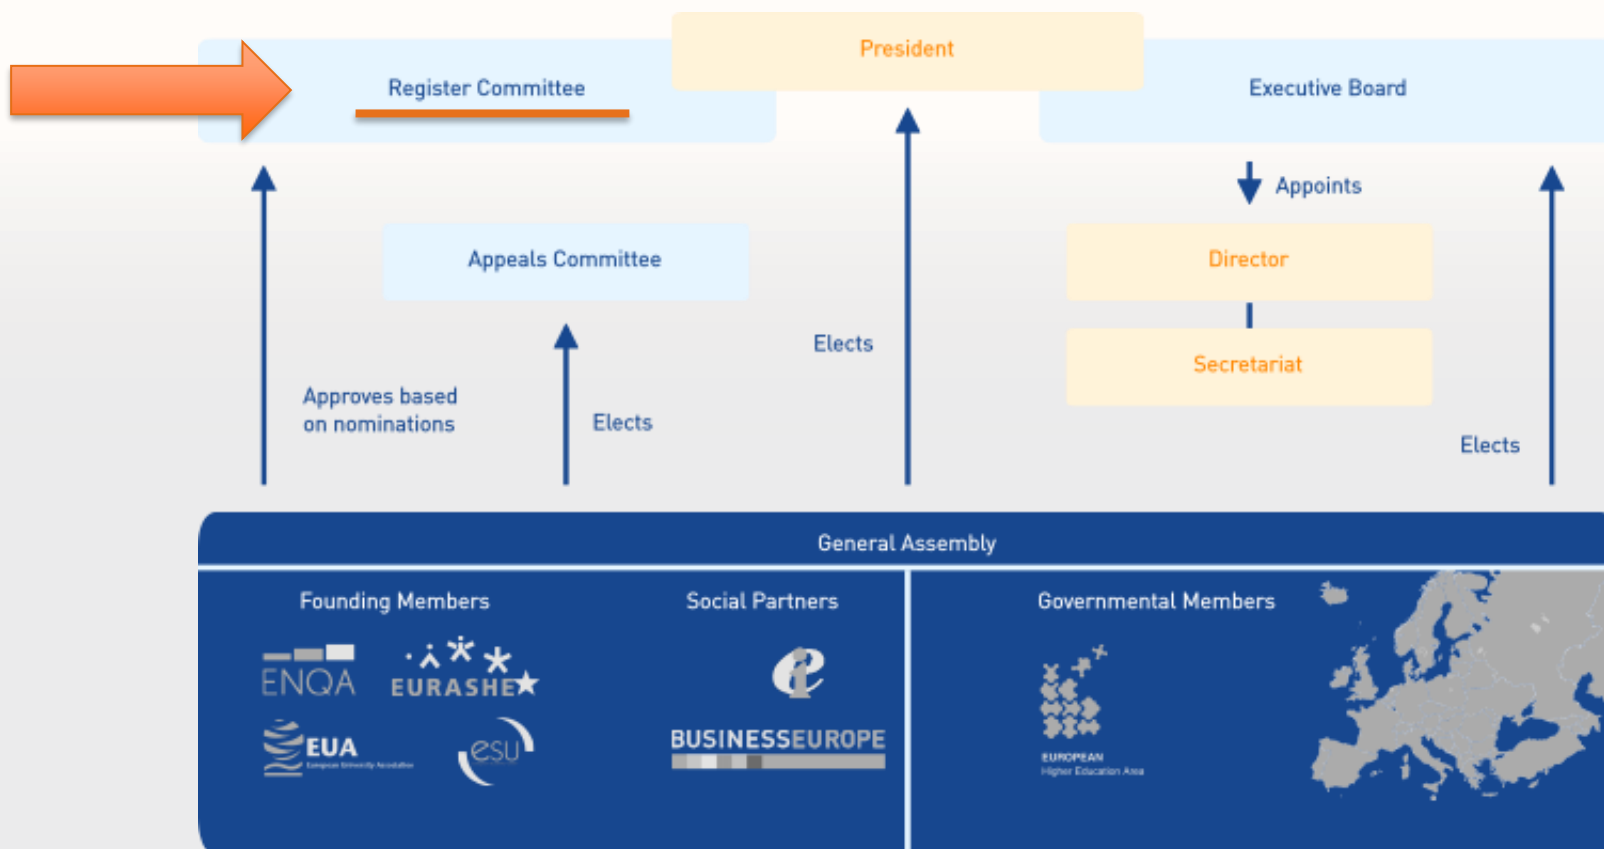

Founding Members: ENQA, ESU, EUA, EURASHE

Governmental Members

Social partner Members

EQAR organisation

EQAR Register Committee (RC)

- 11 members with experience in QA and HE
- members act independently, in their individual capacity
- each Founding Member nominates 2 members
- each Social Partner Member nominates 1 member
- the Register Committee is approved by the General Assembly
- chaired by the President (without voting right)
- A Vice-chair elected among the members
- meetings at least three times per year (usually more frequently)

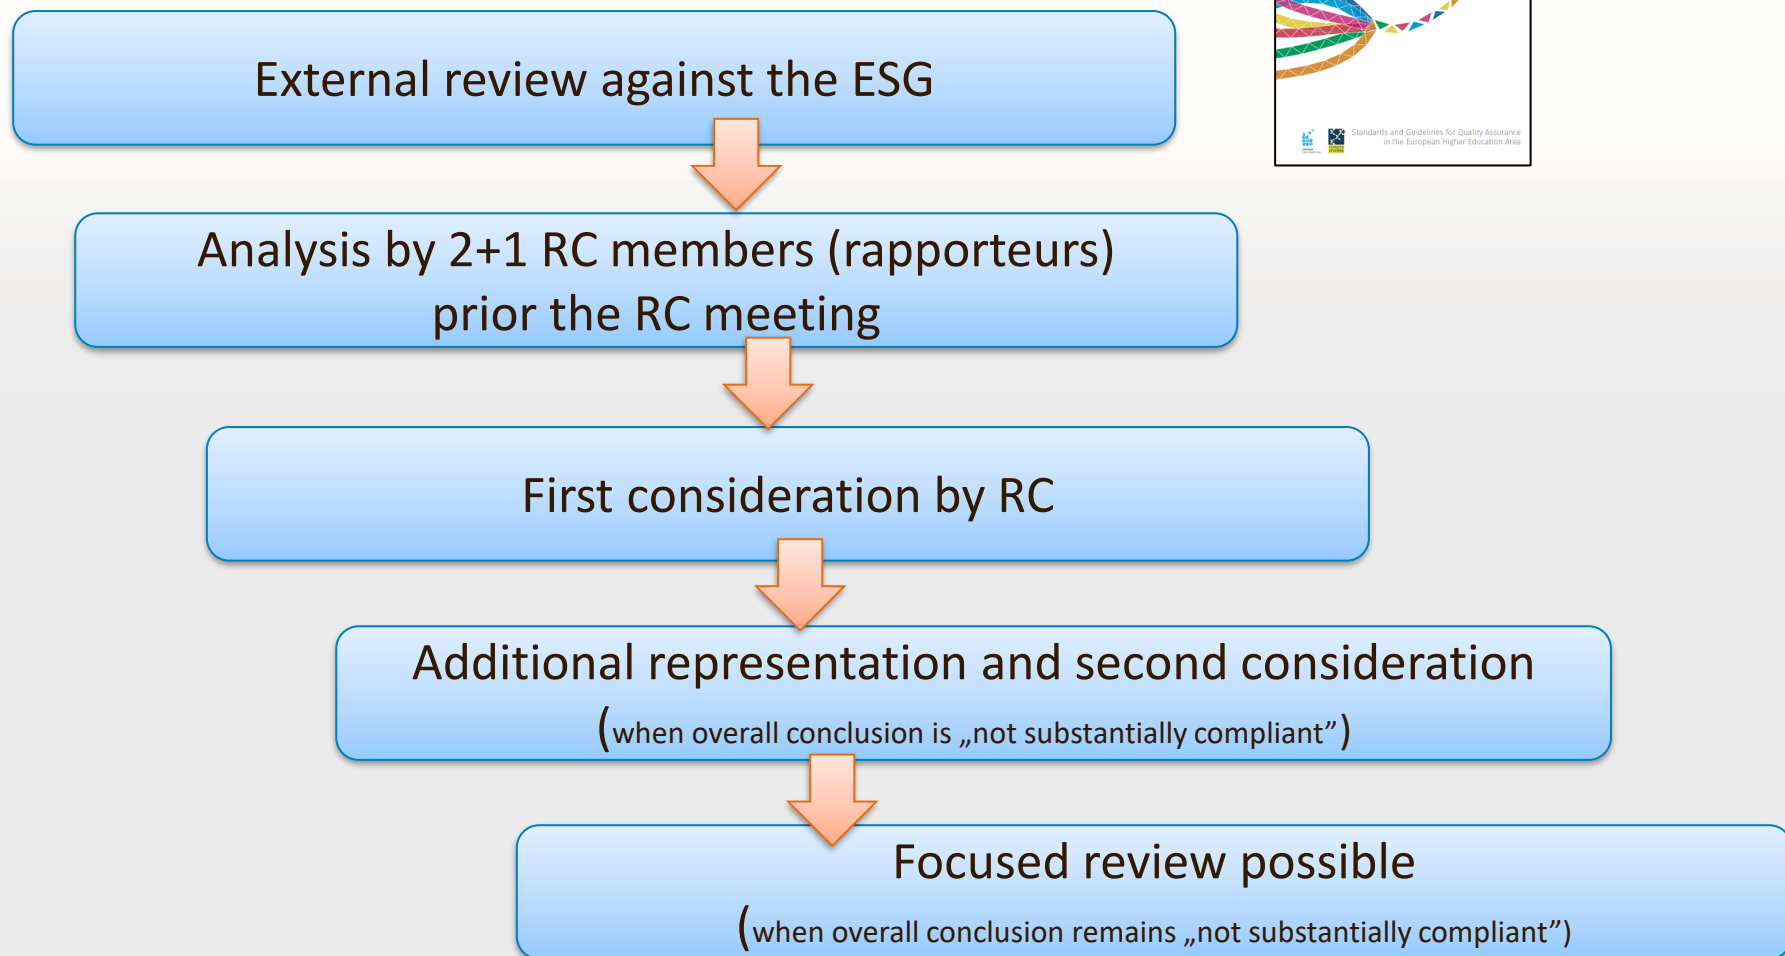

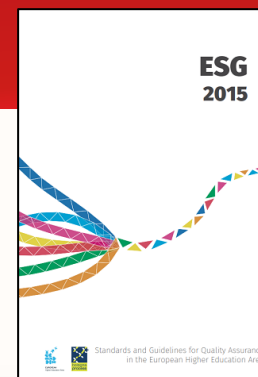

RC responsibilities

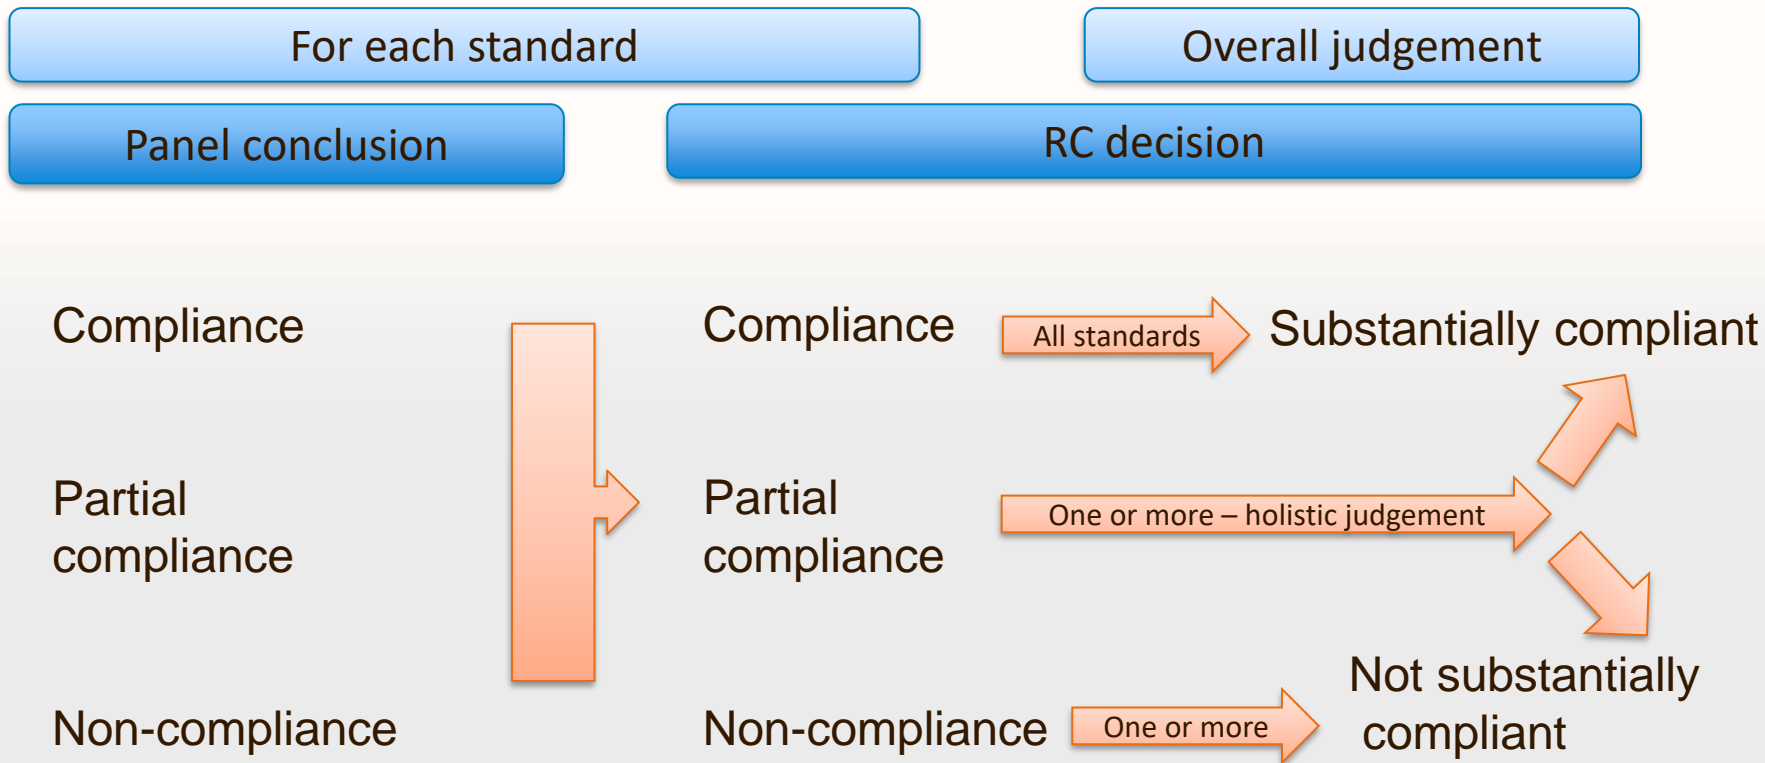

- Receives, evaluates and decides on applications for inclusion on the Register (full reviews) and applications for renewal of the registration (full reviews, targeted reviews);
- Considers Substantive Change Reports;
- Considers third-party complaints;
- Conducting and extraordinary review of an agency's registration;
- Adopting and revising Procedures for Applications in consultations with the General Assembly.

RC decision-making process

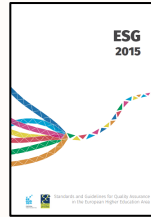

RC overall judgement

Ensuring consistency in decision-making process

ESG compliance

Registered agencies

The screenshot shows the EQAR website interface. The main content area displays the profile for ASHE - Agency for Science and Higher Education (AZVO - Agencija za znanost i visoko obrazovanje). Key information includes: registration valid until 31/03/2027, website URL (http://www.azvo.hr), and a list of reports such as '26/06/2022 Renewal of Registration' and '27/06/2017 External Review Report'. A sidebar on the left contains navigation links for Register, Applications, Decisions, and other sections.

The screenshot shows the EQAR website search results page. The search criteria are set to 'Croatia'. The results list several providers, including: University of Zagreb, Faculty of Science; University of Zagreb, Faculty of Special Education and Rehabilitation; University of Zagreb, Faculty of Teacher Education; University of Zagreb, Faculty of Textile Technology; University of Zagreb, Faculty of Transport and Traffic Sciences; University of Zagreb, Faculty of Veterinary Medicine; and University of Zagreb, School of Dental Medicine.
