Secretary General

Membership Document of the Central and Eastern European Network of Higher Education Quality Assurance Agencies (SEENQA).

Objectives of the "Elbaasy" Agency

- Improving the quality of educational institutions through institutional and program (specialized) accreditation;
- Development of a national system for ensuring the quality of education in the Kyrgyz Republic using international experience;
- Establishing cooperation and partnerships with international networks for quality assurance in education.

Currently, the following methodological developments have been developed and are being used:

- ✓ Regulations on the Board of the Agency;
- ✓ Regulations on the expert commission for independent accreditation;
- ✓ The procedure for making a decision on accreditation in relation to educational organizations and programs;
- ✓ Regulations on external expertise of educational organizations and programs, vocational education;
- ✓ Regulations on the procedure for post-accreditation monitoring of educational organizations and educational programs;
- ✓ Regulations on the Commission on Appeals and Complaints Accreditation Agency "Elbaasy";
- ✓ Guidelines for writing a self-assessment report for vocational education programs.

For the period of work of the Agency (2018-2021), the number of educational institutions subjected to

program accreditation amounted to:

- Professional lyceums 60;
- Colleges 41;
- Higher education institutions 16;

institutional accreditation:

- Higher education institutions 1;
- Colleges 1;
- Professional lyceums 3.

Accredited in 2021:

№	Types of educational organizations	Programm accreditation			onal
		amount	number of educational programs	number of additional programs	Institutional
1	Higher education institutions	5	5	-	-
2/	Secondary vocational education	1	1	-	-
3	Initial vocational education	18	56	33	3
	Total	24	62	33	3

On the basis of the Law of the Kyrgyz Republic "On Education" and other regulatory legal acts in the field of education, the agency has developed and uses:

- Standards and criteria for Program Accreditation of Higher Professional Education (the number of standards is 7, their criteria are 60)
- Standards and criteria for programmatic accreditation of secondary vocational education (number of standards 5, their criteria - 32)
- Standards and criteria for programmatic accreditation of NGOs (the number of standards is 5, their criteria are 32)

For institutional accreditation:

- Standards and criteria for institutional accreditation of HPE (the number of standards is 9, their criteria are 102)
- Standards and criteria for institutional accreditation of SVEs and NGOs (the number of standards is 5, their criteria are 30)

On the basis of the agency, training seminars and trainings are held for experts who will participate in independent accreditation of educational organizations and educational programs.

Location of the office of the agency "Elbaasy"

Republic of Kyrgyzstan, Bishkek, st. Akhunbaeva 119a, room 503

Our motto: "People don't lie"

Accreditation takes into account the opinions of stakeholders:

- Students;
- Graduates;
- **■** Teachers;
- **Employers**;
- Parents;
- **■** The administration of the educational institution.

Thank you for your attention!!!
